Universitas Indonesia

**International Workshop on UI GreenMetric, April 21st, 2016
The Margo Hotel, Depok Indonesia**

1. Background and Purpose

Since the last 6 years, UI GreenMetric has become one of the flagship programs of Universitas Indonesia that ranked universities throughout the world according to appointed indicators of campus environmental issues such as setting and infrastructure, energy, waste management, water, and transportation, and education. This ranking is one of the university's efforts in promoting sustainability in campuses and also in involving stakeholders in any kind of effort to create a sustainable environment. This program has been conducted since 2010 for six times and ranked 407 universities from 65 countries around the world. The ranking is conducted through an online questionnaire system in which each university provided data about sustainability indicators. The data then automatically processed into a ranking.

Participation from universities throughout the world including Indonesian universities keeps increasing. In 2010, 22 universities in Indonesia participated in UI GreenMetric. In 2012, this number is increasing up to 215 universities. And in 2015, 407 universities participated in UI GreenMetric. The increasing number shows that this program can grab the attention of many universities throughout the world, including those in Indonesia.

During the ranking process, many universities performance in UI GreenMetric have progressed, including the performance of Universitas Indonesia. In order to increase the performance of each university in UI GreenMetric, universities need to share their sustainability's achievement and current condition in a forum. The "407" best universities in UI GreenMetric are the best examples of how sustainability policies can be implemented in universities in some aspects such as setting and infrastructure, energy and climate change, waste and water management, transportation and also education. These universities can share information about the implementation of sustainability policies in each university. This information can be used as a basis of sustainability policy preparation in Universitas Indonesia.

International Workshop on UI Green aims to:

1. Disseminate and evaluate the implementation of the UI GreenMetric Ranking in which 407 universities from 65 countries in the world have been participants.
2. Share information about sustainability to improve the campus by studying some best practices.
3. Provide an opportunity for universities that get top position in UI Greenmetric to explain their university's excellence in UI GreenMetric.
4. Provide an opportunity for cooperation in sustainability management in campuses.

2. Main Program

The symposium will be opened by the Rector of Universitas Indonesia. Keynote speakers including the Vice Chancellor, President, or Sustainability Director from Best Universities in UI GreenMetric. Workshop topics are:

Keynote panel discussions

- a. UI GreenMetric Indicators
- b. Setting and Infrastructure
- c. Energy and Climate Change Policy
- d. Waste
- e. Water
- f. Transportation
- g. Education
- h. Infrastructure and Research

3. Participants and Media Communications

Targeted participants:

The total of participants expected is 50, including 20 participants from UI GreenMetric Ranking of World Universities, Indonesian scientists and University Representatives, and University Sustainability Officers.

4. Place

The Margo Hotel, Depok Indonesia

5. Program Schedule (Tentative)

International Workshop on UI GreenMetric by University of Indonesia April 21st, 2016 PRELIMINARY PROGRAM

Time	Agenda
08.30am - 09.00am	Registration
09.00am - 09.15am	Opening <ul style="list-style-type: none"> • Report from Chairperson of UI GreenMetric, Prof. Dr. Ir. Riri Fitri Sari, MM, MSc. • Welcoming Speech from the Rector of the University of Indonesia, Prof. Dr. Muhammad Anis
09.15am - 09.30am	Keynote Speech from Minister of Research and Higher Education *
09.30am - 09.45am	Formal Photo of Speakers and Participants & Networking Session
09.45am - 10.00am	Coffee Break
10.00am - 10.30am	Plenary Session: Prof. Angela Hou - APQN and Fujien University Taiwan* Prof. Jan Sadlak - IREG*
10.30am - 11.15am	Panel Session I (Setting and Infrastructure)
	(Moderator: Prof. Gunawan Tjahjono*)
	Dr. Khalil Jamshidi - President of the University of Zanjan – Iran (10 Minutes)
	Prof. Joni Hermana - Rector of Institut Teknologi Sepuluh November - Indonesia (10 Minutes)
	Prof. Dr. Adi Zakaria Afiff, S.E., M.B.A - Vice Rector for Finance, Logistic, and Facilities Universitas Indonesia – Indonesia (10 Minutes)
11.15am - 11.45am	Panel Session II (Energy and Climate Change Policy)
	(Moderator: Prof Tommy Ilyas)
	Dr. D. Jose Santiago Fernandes Vazques - Vice Rector of Universidad de Alcala – Spain (10 Minutes)
	Mr. Dominik Schmitz - Senior Scientist and Expert at BOKU'S Center for Global Change and Sustainability Universitat fur Bodenkultur Wien – Austria (10 Minutes)
11.45am - 1.00pm	Prof. Dato' Seri Dr. Mohamed Mustafa B Ishak - Vice Chancellor of Universiti Utara Malaysia - Malaysia (10 Minutes)
	Networking Luncheon Venue : VIP Room, Margo Hotel
01.00pm - 02.15pm	Panel Session III (Waste and Transportation)
	(Moderator: Dr. Nyoman Suwartha)
	Dr. Roseann Runte, CM, BA, MA, PhD - President of the Carleton University – Canada (10 Minutes)

	Asst. Prof. Dr. Prinya Thaewanarumitkul - Vice Rector for Administration and Sustainability of Tahmmasat University (10 Minutes)
	Professors Komisarenko Nataliia/Sakovska Olena - Uman National University of Horticulture (Uman State Agrarian University) - Ukraine (10 Minutes)*
	Assoc. Prof. Boonchai Stitmannathum, Ph.D - Vice President for Physical Resources Management Chulalongkorn University – Thailand (10 Minutes)
	Mireya Imaz - Director of the Programa Universitario de Estrategias para la Sustentabilidad, UNAM – Mexico
02.15pm - 02.30pm	Coffee break and Networking Session
02.30pm - 03.45pm	Panel Session IV (Water, Education and Research)
	(Moderator: Junaidi, MA)
	Professor Majed Abu Zraig - Director of International Relations Office and Professor of Water and Environmental Engineering Department of Civil Engineering, Jordan University of Science and Technology– Jordan (10 Minutes)

World University Ranking

International Workshop on UI Greenmetric
April 21st, 2016

Registration Form

Please print in block letters.

Title

☐ Mr. ☐ Mrs. ☐ Ms. ☒ Prof. ☐ DR.

Name (as it appears on your passport):

Surname: _____ Given (First) Name: _____

Nationality: _____

Gender: Male () Female ()

Birthdate (dd/mm/yyyy): ____/____/____

Current Position: _____

Institution / Organization: _____

Mailing Address:

Phone (with country and city code): _____

Fax (with country and city code): _____

E-mail: _____

Registration Fee

Conference Fee	
Indonesian Participant	Rp 1.000,000.-
International Participant	US\$ 200

How to register:

Complete and submit the online registration form.

The registration will be closed at April 19, 2016

The payment process then will be informed later by e-mail.

Should you have more inquiries regarding the registration process, please contact Atma Dewita at [greenmetric\[at\]ui.ac.id](mailto:greenmetric@ui.ac.id)
